In order to carry out the purposes and obligations hereinafter stated, the Association, by action of its Board of Directors, and without approval of the members except to the extent specifically provided herein, shall have the power to levy and collect assessments in accordance with this Declaration against each Lot. The Developer, for each Lot owned within the Development, hereby covenants, and each Owner of any Lot by acceptance of a deed thereto, whether or not it shall be so expressed in such deed, shall be deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, (2) special assessments for capital improvements, (3) special assessments for emergencies as needed for purposes other than as a capital improvement, and (4) special assessments against any particular Lot which were established pursuant to the terms of this Declaration. All such assessments, together with interest, costs and reasonable attorneys' fees, shall constitute a lien upon the Lot against which each such assessment is levied and shall run with the land, and shall take priority from the date the notice of lien for delinquent assessments is filed in the Public Records of Pinellas County, which notice shall state the description of the Lot, the Owner's name, the amount due and the date due. The lien shall be prior to and superior in dignity to the creation of any homestead status but subordinate to any first mortgage as hereinafter set forth. Every Owner of a Lot hereby consents to the imposition of such lien prior to any homestead status until paid in full.

Section 7.03 – Special Assessments.

In addition to the annual assessment authorized, the Association, through its Board of Directors, may levy in any assessment year a special assessment or assessments for capital improvement or emergency purposes, and any such assessment shall be approved by no less than two-thirds (2/3) of each class of members. The Board of Directors may also levy special assessments from time to time against specific lots as authorized in Sections 2.13, 2.19, and 8.01(b), or any other applicable provision of this Declaration. Notwithstanding the foregoing, a special assessment authorized under Section 8.01 (b), Article VIII, and Sections 2.13 and 2.19, Article II hereof, need be approved only by the Board of Directors and not two-thirds (2/3) vote of the Membership.

Written notice of any meeting called for the purpose of making a levy of a special assessment requiring approval of the membership shall be sent to all members not less than ten (10) days nor more than thirty (30) days in advance of the meeting.

Section 7.04 – Annual Assessments.

Annual assessments shall be determined for each Lot by the Board of Directors of the Association prior to January 1st of each year for all assessable property by determining the sum necessary to fulfill the obligations and purpose of said assessment. Written notice of the annual assessment shall then be sent to every Owner subject thereto and the due date shall be established by the Board of Directors, which may be monthly, quarterly, or on an annual basis. The Association shall, upon request and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. Notwithstanding anything contained herein to the contrary, the Developer, as a Class B member, shall not be obligated to pay annual assessments for the period of time that the Developer pays any amount of common expenses incurred and not produced by the special and annual assessments collectible from Class A Members. For purposes of this calculation, replacement reserves or capital expenditures shall not be considered as common expenses. Developer, at its option, may elect to pay annual assessments for Lots it owns rather than subsidize the Association as hereinbefore set forth.

Section 7.05 – Uniform Rate of Assessment.

Both annual and special assessments shall be fixed at a uniform rate for each Lot and may be collected on a monthly, quarterly, or annual basis; provided, however, that as to special assessments against particular lots, such assessments need not be fixed at a uniform rate and may be collected on any basis required by the Association.

Section 7.06 – Commencement of Annual Assessments; Due Dates.

The annual assessments provided for herein shall commence as to each Lot at the time of the closing of the purchase of each Lot. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The due dates for assessments shall be established by the Board of Directors of the Association.

Section 7.07 – Remedies of the Association for Nonpayment of Assessments.

Any assessment not paid within fifteen (15) days after the due date shall bear interest from the due date at the maximum legal rate. The Association may bring an action at law against the Owner personally obligated to pay the same, and file a lien as hereinabove authorized and foreclose said lien by judicial foreclosure in the same manner in which mortgages on real property may be foreclosed in Florida. In any such foreclosure, the Owner shall be required to pay the costs and expenses of filing the notice of lien and all reasonable attorneys' fees, which costs, expenses and attorneys' fees shall be secured by the lien being foreclosed. The Owner shall also be required to pay the Association any assessments against the Lot which become due during the period of Foreclosure. The Association shall have the right and the power to bid at foreclosure sale or other legal sale and to acquire, hold, convey, lease, rent, encumber, use and otherwise deal with the Lot as Owner thereof. No Owner may waive or otherwise escape liability

Section 7.07 – Remedies of the Association for Nonpayment of Assessments (Cont.)

for the assessments provided herein. Any suit to recover money judgment for unpaid expenses and assessment hereunder shall not be deemed to be a waiver of the lien securing the same. Upon payment of all sums secured by the lien, which has been made the subject of a recorded notice of lien, a release of notice of lien shall be executed by the Association or its representative and recorded in the Public Records of Pinellas County, Florida.

The Association shall have a right to suspend the voting rights of a Member for any period during which any assessment against his Lot or Unit remains unpaid, and for a period not exceeding sixty (60) days for any infraction of its published rules and regulations. Notwithstanding anything contained herein to the contrary, assessments shall continue during any suspension period.

Section 7.08 – Subordination of the Lien to Mortgages.

The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage recorded prior to the time of recording a notice of lien. The sale or transfer of any Lot shall not affect the assessment lien. Any mortgagee which obtains title to a Lot as a result of foreclosure of a first mortgage thereon or by voluntary conveyance in lieu of such foreclosure, shall not be liable for the assessments pertaining to such Lot or chargeable to the former Owner thereof which became due prior to the acquisition of title by said mortgagee. Such unpaid assessments shall be deemed a common expense of the Association and collectible from all Owners, including the acquiring mortgagee, its successor or assign. Any such transfer to or by a mortgagee shall release such Lot from liability for any assessment thereafter becoming due. No sale or transfer shall release such Lot from liability for any assessment thereafter becoming due.

Section 7.09 – Exempt Property.

All properties dedicated to and accepted by a public authority and all properties owned by the Association shall be exempt from assessments created herein.

**ARTICLE VIII – MAINTENANCE OF ENTRANCEWAY PLANTERS,
BARRIER WALL AND LOTS**

Section 8.01

The responsibility for the maintenance of the Entranceway Planters, Barrier Wall and Lots within the Development shall be as follows:

The Entranceway Planters and Barrier Wall are those structures facing Parkstream Avenue and Enterprise Road respectively and being within the easement dedicated to those structures as shown on the plat for Countrypark subdivision. The rear facing of the Entranceway Planters and Barrier Wall are to be maintained by those lot owners on which the Planters and Wall are built. The Association and its assigns will be allowed access behind the Entranceway Planters and Barrier Wall to maintain the electrical, irrigation, and any other necessary equipment. (b) Lots.

Each Lot-Unit Owner shall be responsible for the maintenance of his Lot-Unit and right-of-way areas adjoining his Lot-Unit, including, but not limited to, the responsibility to replace and care for trees, shrubs, grass, walks and other exterior improvements located within a Lot. In the event an Owner fails to maintain the exterior of his Lot and Unit in a good, clean, attractive and sanitary condition, or in the event the Board of Directors of the Associations deem it in the best interest of the Development, then the Association may provide said maintenance after the delivery of seven (7) days written notice to the Unit Owner and the cost of said maintenance shall be assessed by the Association to the Owner of said Lot. The Association shall have a reasonable right of access and entry upon any Lot to do work reasonably necessary for the proper operation and maintenance of the Development.

(c) Taxes.

The Association shall pay all real and personal property taxes and assessments for any property owned by the Association.

(d) Insurance.

The Association shall maintain adequate casualty and liability insurance if required.

(e) Drainage and Utility Easements.

The Association shall not be responsible to maintain those easement areas designated on the Plat as "Drainage and Utility Easement" which shall be maintained by

the Lot Owners.

ARTICLE IX - REMEDIES

Section 9.01 - Violations.

Whenever there shall have been built, or there shall exist on any Lot, any structure, building, or condition which is in violation of the Covenants, Developer shall have the right, but not the obligation, to enter upon the property where such violation exists and summarily to abate and remove the same, all at the expense of the Owner of such property, which expense shall be payable by such Owner to Developer on demand, and such entry and abatement or removal shall not be deemed a trespass or make Developer liable in any way to any person, firm, corporation or other entity for any damages on account thereof.

ARTICLE X - SPECIAL PROVISION TO SATISFY THE REQUIREMENTS OF FEDERAL MORTGAGE ASSOCIATION.

Section 10.01.

The Association shall allow all Unit Owners, their lenders, insurers and guarantors of first mortgages to inspect, during normal business hours, all of the records of the Association.

Section 10.02.

Upon written request, the Association shall furnish its most recent annual statement to any holder of a first mortgage of a Unit in the Development.

Section 10.03.

The Association may cancel, without penalty or cause, any contract or lease made by it before Unit Owners other than the Developer assume control of the Association, upon ninety (90) days' written notice to the other party.

Section 10.04.

Upon written request, the Association shall furnish the following notices to the holder of any mortgage on any Unit in the Development:

ARTICLE XI - MISCELLANEOUS

Section 11.01 - Approvals.

Wherever in the Covenants the consent or approval of Developer is required to be obtained, no action requiring such consent or approval shall be commenced or undertaken until and after a request in writing seeking same has been submitted to and approved in writing by Developer. In the event Developer fails to act on any such written request within thirty (30) days after the same has been submitted to Developer as required above, the consent or approval of the Developer to the particular action sought shall be conclusively and irrefutably presumed. However, no action shall be taken by or on behalf of the person or persons submitting such written request which violates any of the Covenants herein contained.

Section 11.02 - Assignments.

Developer shall have the sole and exclusive right at any time and from time to time to transfer and assign any person, firm or corporation, including, but not limited to, the Association, any or all rights, powers, easements, privileges, authorities, and reservations given to or reserved by Developer by any part or paragraph of the Covenants or under the provision of the Plat. If at any time hereafter there shall be no person, firm or corporation entitled to exercise the rights, powers, easements, privileges, authorities and reservations given to or reserved by Developer under the provisions hereof, the same shall be vested in and be exercised by a committee to be elected or appointed by the Owners of a majority of the Lots. Nothing herein contained, however, shall be construed as conferring any rights, powers, easements, privileges, authorities or reservations in said Committee, except in the event aforesaid. None of the provision of this Section 11.02 shall apply to or affect the Provisions of Article VI.

Section 11.03 - Developer's Rights.

Developer reserves and shall have the sole and exclusive right:

- (a) To modify and amend these Covenants as may be required by the Federal National Mortgage Association, or other insurer of first mortgages upon the Units or Lots without acquiring the approval or joinder of any other Unit Owner or mortgagee.

(b) To amend, modify, or grant exceptions or variances from any of the use restriction set forth in Article II of this Declaration of Covenants, Conditions and Restriction without notice to or approval by other Owners or mortgagees. All amendments, modifications, exceptions or variances increasing or reducing the minimum square footage of dwellings, pertaining to fence size, location of composition, or pertaining to the location of structures on a Lot shall be conclusively deemed to be within the authority and right of the Developer under this subsection.

(c) To amend these Covenants for the purpose of curing any error or ambiguity in or any inconsistency between the provisions contained herein without acquiring the approval or joinder of any other Unit Owner or mortgagee.

(d) To include in any contract, deed, sublease agreement or other instrument hereafter made any additional covenants and restrictions applicable to the Land which do not lower the standards of the Covenants;

(e) Notwithstanding anything contained herein to the contrary in this Declaration, the Articles of Incorporation or ByLaws, the Developer shall be entitled to use any unsold Lot/Unit or Units as an aide in selling Lots/Units or as a sales office, construction office, or parking lot, and shall further be allowed to place on the Development signs advertising the sale of Lots/Units, construction trailers and sales trailers. The Developer shall further have the right to complete construction of all improvements to the Entranceway Planters and Barrier Wall contemplated by its development plan and to transact, on the Development, any business to consummate the sales of Lots/Units, and all sales office and model furniture shall not be considered Association property and shall remain the property of the Developer.

Section 11.04 – Additional Covenants.

No Owner, without the prior written approval of the Developer, may impose any additional covenants or restrictions on any part of the Land shown on the Plat.

Section 11.05 – Termination.

These Covenants, Conditions, and Restrictions, as amended and added to from time to time, and as provided for herein, shall, subject to the provisions hereof and unless released as herein provided, be deemed to be covenants running with the title to the Land and shall remain in full force and effect for a period of thirty (30) years from the date of the recording the original restrictions, and thereafter these Covenants shall be automatically extended for successive periods of ten (10) years each, unless within six (6) months prior to the commencement of any ten (10) year period, an instrument in writing, executed by the Owners representing seventy-five per cent (75%) of the votes of Lots has been recorded in the Public Records of Pinellas County, Florida, in which written agreement any of the Covenants provided for herein may be changed, modified, waived or extinguished, in whole or in part, as to all or any part of the property then subject thereto, in the manner and to the extent provided in such written agreement.

Section 11.06 – Amendment.

Subject to the provisions of Section 11.03 (b) hereof, the covenants, conditions and restrictions of this Declaration may be amended by an instrument executed by the then Owners who represent seventy five per cent (75%) of the votes of Unit-Lots and shall be placed of record in the Office of the Clerk of the Circuit Court where the Land is located. Notwithstanding anything herein contained to the contrary, no amendment of this Declaration which in any way alters, changes, limits, diminishes or otherwise affects any institutional mortgagee's position, right or equity as mortgagee of a Lot shall be effective without the joinder of the institutional mortgagee. For purposes of this statement, an institutional mortgagee shall be defined as a bank, (including, without limitation, a mutual savings bank), life insurance company, savings and loan association, real estate company, FNMA, or other lender active in the area, including the successors and assigns of any such entity.

Section 11.07 – Negligence.

Any Owner shall be liable for expense of any maintenance, repair or replacement rendered necessary by his act, neglect, carelessness or by that of any member of his family, or by his or her guests, employees or lessees, but only to the extent that such expense is not met by the proceeds of insurance carried by the Association. Such liability shall include any increase in fire insurance rates occasioned by use, misuse or occupancy or abandonment of a Unit or its appurtenances.

Section 11.08 – Enforcement.

If any person, firm or corporation, or other entity shall violate or attempt to violate any of these Covenants, it shall be lawful for Developer, Association or any person or persons owning any Lot:

(a) To institute and maintain civil proceedings for the recovery of damages against those so violating or attempting to violate any such covenants or restrictions, or;

(b) To institute and maintain a civil proceeding in any court of competent jurisdiction against those so violating or attempting to violate any of the Covenants for the purpose of preventing or enjoining all or any such violations or attempted violations. The remedies contained in this Section 11.08 shall be construed as cumulative of all other remedies now or hereafter provided by law. The failure of Developer, his grantees, successors or assigns, or the Association to enforce any Covenant or any other obligation, right, power, privilege, authority or reservation herein contained, however long continued, shall in no event be deemed a waiver of the right to enforce the same thereafter as to the same breach or violation, or as to any other breach or violation thereof occurring prior to or subsequent thereto.

(c) In any proceeding arising because of alleged failure to comply with the terms of this Declaration, its Exhibits or Regulations adopted pursuant thereto, as said Documents and Regulations may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees as may be awarded by the court.

Section 11.09 - Severability.

The invalidation of any provision or provisions of the Covenants set forth herein by judgement of court order shall not affect or modify any of the other provisions of the Covenants which shall remain in full force and effect.

Section 11.10 - Paragraph Headings.

The paragraph headings contained in these Declarations are for reference purposes only and shall not in any way affect the meaning, content, or interpretation thereof.

Section 11.11 - Conflicts.

In the case of any conflict between the Declaration, the Articles of Incorporation of the Association or the ByLaws of the Association, the Declaration shall control.
